

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

[1] (original) A heat- and/or singlet oxygen-generating agent comprising an organic peroxide or a chemiluminescent compound.

[2] (original) The generating agent according to Claim 1, wherein the generating agent is used for anticancer or inducing sudden death of cells.

[3] (currently amended) The generating agent according to Claim 1 ~~or 2~~, wherein the generating agent generates heat and/or singlet oxygen under the environment of a site where cancer cells are present.

[4] (currently amended) The generating agent according to Claim 1 ~~any one of Claims 1 to 3~~, wherein the incorporation into cells is accelerated.

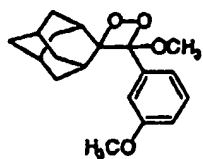

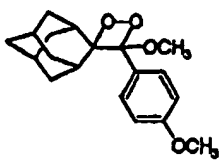

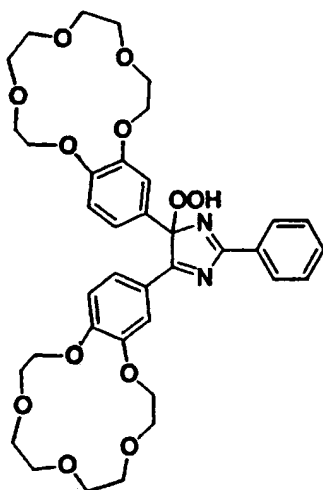

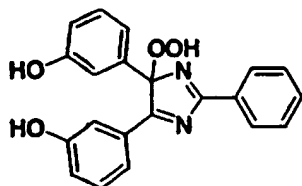

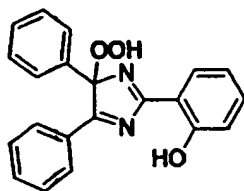

[5] (currently amended) The generating agent according to Claim 1 ~~any one of Claims 1 to 4~~, wherein the organic peroxide is a peroxide of an imidazole derivative.

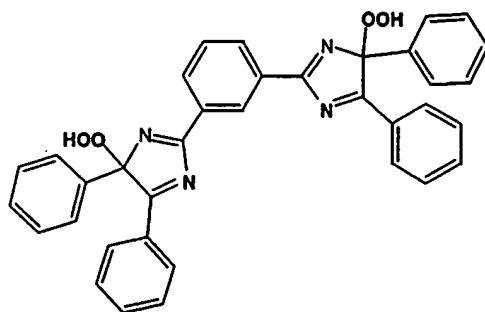

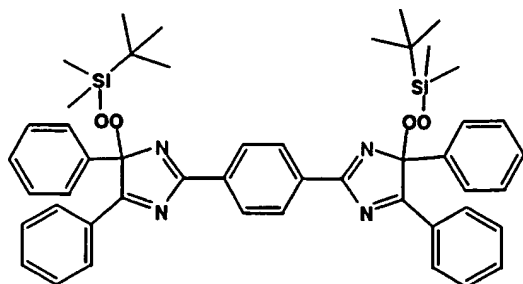

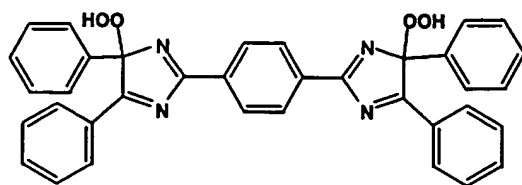

[6] (currently amended) The generating agent according to Claim 1 ~~any one of Claims 1 to 4~~, wherein the chemiluminescent compound is a dioxetane compound.

[7] (original) A pharmaceutical composition for cancer treatment, comprising an organic peroxide or chemiluminescent compound generating heat and/or singlet oxygen.

[8] (original) A pharmaceutical composition for inducing sudden death of cells, comprising an organic peroxide or chemiluminescent compound generating heat and/or singlet oxygen.

[9] (original) A compound represented by

or
